2. The Kenya Livestock Commercialization Project (KeLCoP) is a six-year project jointly funded by; Government of Kenya (GOK), International Fund for Agricultural Development (IFAD), Heifer International, and Participating Financial Institutions (PFI) and Beneficiary communities. The Project came into force on 05 March 2021 with a Completion date of 31 March 2027 and Loan Closing date of 30 September 2027. The Project Goal is to contribute to the Government's agriculture transformation Agenda of increasing rural small-scale farmers' incomes, food and nutrition security. The development objective is to increase incomes of 110,000

poor livestock and pastoralist households, especially youth and women, in an environmentally friendly manner, in selected project areas of the 10 participating counties. The Project areas are Semi-Arid counties (Elgeyo Marakwet and Baringo), Arid counties (Marsabit and Samburu).and other areas are Busia, Bungoma, Kakamega, Siaya, Nakuru and Trans Nzoia. The targeted value chains are small ruminants (sheep, goats for meat and dairy goats), local improved breed poultry, bee keeping and rabbit production (where applicable). The primary target group comprises of: very vulnerable, ultra-poor, mostly women headed households, pastoralist and agro-pastoralist households; commercially orientated pastoralist and agro-pastoralist households; and young women and men involved in production and entrepreneurial activity at critical points in the value chain. The project will also engage with value chain drivers KeLCoP will have a strong focus on the inclusion of women and youth, marginalized tribes and persons with disabilities. The project is expected to directly benefit 110,000 households with a total number of 495,000 people. From the total direct beneficiaries, women and youth beneficiaries will be 54 per cent and 30 per cent respectively. 30 per cent of the total households will be targeted for nutrition interventions. A minimum of 5 per cent of beneficiaries will be from vulnerable groups (marginalized tribes, persons with disabilities and persons with HIV). The beneficiaries of targeted nutrition beneficiaries make up 30 per cent of the total households reached.
