

MINISTRY OF AGRICULTURE, LIVESTOCK, FISHERIES AND COOPERATIVES

PRESS STATEMENT BY HON. PETER MUNYA, EGH, CABINET SECRETARY, MINISTRY OF AGRICULTURE, LIVESTOCK FISHERIES AND COOPERATIVES ON FERTILIZER PRICES IN THE COUNTRY

National Cereals and Produce Board (NCPB) and Kenya National Trading Corporation (KNTC) having been identified to supply affordable fertilizer through the Ministry of Agriculture, Livestock, Fisheries and Cooperatives, pricing has been negotiated taking consideration of COVID-19 pandemic, Exchange rates and fuel prices. The following are the 2021 pricing for DAP planting fertilizer being **Kshs.3,100 per 50 Kg bag.**

The same planting fertilizer will sell at **Kshs.3,200** under the Ministry e-voucher program.

We believe the negotiated pricing will go a long way in bringing down the cost of production to farmers in view of prevailing economic circumstances in Kenya and world.

NCPB has been authorized to sale GOK residue balance of subsidized fertilizer in various stores across the country at normal government subsidized rate to all farmers without vetting procedure.

Thank You.
