29th October 2024

**SUPPLY, DELIVERY, INSTALLATION, TESTING AND COMMISSIONING OF
100(No) 2,000 LITRES CAPACITY REFRIGERATED BULK MILK COOLERS AND
ACCESSORIES. TENDER NO. MOALD/SLDL/DLP/002/2024-2025.**

The Ministry of Agriculture, Livestock Development State Department for Livestock Development has issued the following addendum to the above referred tender.

S/No	Requested Clarifications	Clarification
1.	Valid and certified NCA registration certificate NCA 4 and above in solar power Generation and Photovoltaic cells installation works. For Joint Venture to be provided by the Lead bidder.	MR12: Valid and certified NCA registration certificate NCA 4 and above in solar power Generation and Photovoltaic cells installation works. For Joint Venture to be provided by the Lead bidder or a member of the Joint Venture.
2.	A Valid certified practicing annual License in NCA 4 and above in solar power Generation and Photovoltaic cells installation works Provided by the lead bidder for joint venture to be provided by lead bidder.	MR13: Valid certified practicing annual license in NCA 4 and above in Solar Power Generation and Photovoltaic cells installation works be provided by the Lead Bidder or a member of the Joint Venture.
3.	Valid Solar PV Installation Contractor license with Energy Petroleum and Regulatory Authority (EPRA) (Class C1) to be provided by the lead bidder.	MR 15: Valid Solar PV Installation Contractor license with Energy Petroleum and Regulatory Authority (EPRA) (Class C1) to be provided by the lead bidder or a member of the Joint Venture.

4.	I intend to participate in the tender above. I would like to request for a 7 day extension in order to conclude my engagements with overseas partners, seeing that some of the items will be procured from overseas.	The Tender closing date has been extended to close/open on 7 th November 2024, 11.00 am.
5.	The Shape of the tanks, would the Ministry allow round shape of tanks in addition to elliptic as mentioned in the TDS?	Round shape tanks will be allowed to compliance with other specifications particularly the evaporator being at least up to 1/3 rd height of the tank.
6.	What is the required power rating for each PV Panel? We can see both 545W and 570W mentioned in the tender?	Solar panel rating is 545W instead of 570W as per the bills of quantities and specifications.
7.	Energy storage system ,we are concerned that the specified low voltage batteries are not sufficient ,would the Ministry consider the change to high voltage instead	The Specified batteries voltage and capacity appropriately determined and are adequate. Bidders are advised to stick to the specifications.
8.	Instruction to Tenderers: 4.5 A firm that is a Tenderer (either individually or as a JV member) shall not participate as a Tenderer or as JV member in more than one Tender except for permitted alternative Tenders. Such participation shall result in the disqualification of all Tenders in which the firm is involved. However, this does not limit the participation of a Tenderer as subcontractor in another Tender or of a firm as a subcontractor in more than one Tender.	Particulars of appendix to instructions to tenders. ITT 4.5: Qualified tenderers are eligible to participate in more than one tender as it appears on the Tender Notice of My Gov' Page 18 dated October, 15, 2024.
9	Kenya Bureau of Standards certification for manufacture of cooling tanks to be provided by the lead bidder.	MR14:Valid and certified Manufacturers Authorization Letter for refrigerated Bulk Milk cooling tanks. If the bidder is a local manufacturer, a valid and certified Kenya Bureau of standards Certification for manufacture shall be Provided.

All other terms and conditions remain the same.
