

STRENGTHENING FOCUS ON FARMERS FOR SUSTAINABLE FOOD PRODUCTION IN KENYA

This morning, Cabinet Secretary for Agriculture and Livestock Development, Sen. Mutahi Kagwe, engaged with Board Chairpersons and CEOs of institutions under the Ministry to refocus efforts on farmers. The discussions centered on enhancing agricultural production by integrating technology and developing sustainable solutions for the future.

The team is also reviewing existing policies to ensure they drive greater efficiency and effectiveness in the sector.

The CS was accompanied by Principal Secretaries Dr. Kipronoh Ronoh (Agriculture), Jonathan Mueke (Livestock), and Bungoma Senator & Chair of the Agriculture Committee, Hon. David Wafula.
